

REMARKS/SUMMARY OF EXAMINER INTERVIEW

Applicants thank Examiner Sherr for the courtesy extended during a telephone interview with Applicants' representative on January 13, 2010 (the "Interview"). During the Interview, the subject matter of Claim 1 was discussed and an agreement was reached that the amendments put forth herein would clarify the meaning of the claims and would distinguish over the previous search strategy. Claims 1, 15, 26, and 53 are currently amended in light of this agreement. Claim 17 is also amended for clarity. Additional amendments are made to correct typographical errors and terms which may have lacked antecedent support. Applicants respectfully request entry of these supplemental amendments and requests that the Examiner permit all pending claims to proceed to issuance.

The Examiner is respectfully requested to contact the undersigned at the telephone number below if there are any remaining questions regarding this application.

We believe the appropriate fees accompany this transmission. If, however, insufficient fee payment or fee overpayment occurs, the amount may be withdrawn or deposited from/to AXIOS Law's deposit account. The deposit account number is 50-4051.

Respectfully submitted,
